The above Memoranda contain directions about exemption of our properties in Udipi from Property Tax.

The Court (in their Postings No. 524 and 525 of 1953) summoned me to appear before them yesterday, and I have been asked to appear again on 8.12.1953.

3. My representations to the Commissioner, Udipi Municipality —

(ii) that by G.O. 752 dated 5.6.1953 Rural Welfare Department, Government have ordered the taking over of all our activities, properties etc., that some institutions have already been taken over, and that only the legal formalities remain to complete the transfer; and

(iii) that he (the Commissioner) would kindly wait till the transfer was complete and then press his claim on Govt. —

—— these representations have not been of any avail.

4. Both the charges against me before the Court referred to above are alleged default (Rule 36 of Schedule I of Madras District Municipalities Act) in Property Tax.

5. I request you to wire to the Commissioner, Udipi. Municipali to withdraw the complaint agai me and spare me this harrassm

6. I would have written to you e if I could. But I got the Court Su on 16th Nov. 1953 in the afternoo and then there was just time to consult my lawyer and leave f Udipi.

7. May I request you to treat matter as urgent.

i article especially in view of the
remarks of the Commr at A in his
letter cited. Hence original noted notes &
letter. The draft circular is
for approval. Under Sec. 117 of the M. Dom
Act the Govt has discretionary
powers to exempt a person or
class of persons from the payment
of tax. The instructions in
Memo No. 45003/52-1A L.A & 8.11.52
and No. 19272-2A LA & 4-7-52
were only advisory. The Council,
has, it seems, accepted the
advice and exempted certain

certain others. In any case
the Govt cannot interfere further
in the matter especially when
the Commr has resorted
to the Court for recovering
the dues.

run by the H.W. Dept. The debts incurred by the Mission authorities were also ordered to be cleared by the Govt. Subsequently the D.C. Mission management has requested that the addl debts incurred by them for running the institutions during the period of correspondence relating to the question of taking over the activities of the Mission by the Govt., may also be cleared by the Govt. The file has been sent to Law Dept. for advice on the other points in the file. Thus Dept has recommended that the addl debts incurred by the Mission authorities may also be cleared by the Govt. Finance have also agreed to it. As the D.C. Mission is no longer functioning and as it is reported that ~~the former management is not in a position to say the~~ ~~cancer has no question in this file~~, it may be necessary for the H.W. Dept to undertake this liability also. This may however be considered when the Mission authorities ask for a grant on this account. For the present this Dept may accept the draft ~~convey~~ as p.i. above and the case returned to H.S.A.
